ACKNOWLEDGMENTS

The OSTEN & VICTOR Alberta Tennis Centre would like to thank our donors, members, program participants, as well as funding supporters and partners, for their continued support of our Tennis Centre.

We would especially like to thank the Province of Alberta, City of Calgary, Parks Foundation of Calgary, Rogers Communications, National Bank, Tourism Calgary, Tennis Alberta and Tennis Canada for their direct support of our Tennis Centre and the Calgary National Bank Challenger. Without their support, none of our success would be realized.

IN MEMORY OF BUDDY VICTOR

AUG 9, 1930 — AUG 4, 2023

Earlier this year, Buddy Victor peacefully passed away at the age of 92, just days before his 93rd birthday. Buddy Victor was one of our founding donors and he is survived by his longtime partner, Al Osten, who stood by his side throughout their remarkable journey.

Born in Brooklyn, New York, Buddy Victor was a distinguished graduate of Boys High School, where he earned the title of valedictorian. He ventured into a successful solo singing career and later joined the renowned doo-wop group, the Rover Boys, in 1957. The Rover Boys achieved chart-topping success with their hit song, "Graduation Day," and went on to captivate audiences on prestigious stages, including the Tonight Show at Radio City Music Hall, opening for Tony Bennett in Atlantic City, and

appearing on Dick Clark's American Bandstand. Their talent even graced the Las Vegas strip, and they played a pivotal role in discovering the legendary Canadian singer, Paul Anka.

In 1967, Buddy and Al seized a promising business opportunity by investing in Weight Watchers. They acquired both the Alberta and Saskatchewan franchises, eventually selling the business in 2013. Their prosperity enabled them to support numerous charitable organizations, including Pilgrims Hospice, the Art Gallery of Alberta, the Victor-Osten Foundation, Alzheimer's Society in Edmonton, the OSTEN & VICTOR Alberta Tennis Centre, Theatre Calgary, and the Osten-Victor Foundation in Calgary.

Remarkably, despite having no prior connection to tennis, Al Osten and Buddy Victor made a transformative contribution to the OSTEN & VICTOR Alberta Tennis Centre in Calgary. Their generosity paved the way for its construction, transforming it into a crown jewel of Canadian Tennis, serving 45,000 Albertans annually and hosting prestigious sporting events, including the Calgary National Bank Challenger. In 2017, the Centre received Tennis Canada's Facility Excellence Award, solidifying its status as Canada's premier year-round tennis

facility. We extend our deepest condolences to Al Osten, Buddy's friends, and family. Buddy Victor's legacy of philanthropy and dedication to Alberta will forever be remembered. We will dearly miss him, and his memory was honoured with a plaque presented to his partner Al Osten along side ATC CEO Danny Da Costa and Founder Ron Ghitter during the 2023 Calgary National Bank Challenger hosted by the OSTEN & VICTOR Alberta Tennis Centre.

MESSAGE FROM OUR FOUNDER, PAST-CHAIR

Dear Member, Program Participant and Stakeholder,

In late 2023, I announced that I would retire from my role as Chair of the Board (I will remain actively involved as a Director) of our non-profit, community-based OSTEN & VICTOR Alberta Tennis Centre. My heart is full of gratitude for the support and encouragement I have received over the past ten years from our committed volunteer Board of Directors, our superbly talented CEO, Danny Da Costa and his talented tennis professional and dedicated team of employees.

The financial support of my dear friends Al Osten and Buddy Victor (now sadly deceased), the Province of Alberta, Tennis Canada, the Calgary Parks Foundation and so many individual donors all of whom found a way to fund a project cost of nearly ten million dollars in 2015. The support of the City of

Calgary in leasing the Acadia lands to us was instrumental in bringing this project into fruition. Lastly, but of immense significance, the support we have and continue to receive, from our membership and the enthusiastic tennis community. As evident by this year's report, thousands of players of all ages are enjoying, learning and excelling in the sport of tennis in Calgary, annually.

We have travelled well beyond the dreams and visions of our founders who started with an idea that proudly, and humbly, created the finest tennis centre of its kind in Canada. Our tennis centre is now known across Canada and internationally. Many of the top players in the world have come to experience and enjoy the ATC through our Calgary National Bank Challenger event.

But there is more to come. The demand for our court time is seemingly insatiable as Calgarians have embraced what we provide. To meet this demand, we must grow. We are hopeful that the City of Calgary will lease further adjacent lands to us so we can meet the demands placed upon us. Once the lands are provided, we will continue to grow our facility and its impact on the growth of tennis in the Province and country.

I am thrilled to turn the Chairmanship of the OSTEN & VICTOR Alberta Tennis Centre to Al Fowler, my friend of many years (and at one time my doubles partner until his talents on the court grew well beyond my capabilities). Al has been instrumental in the development of the Centre from the very start. He brings many talents to the board, as an experienced businessperson with strong accounting and corporate backgrounds. But above all he loves tennis and takes great pride in the growth of our Centre.

It has been an absolute privilege of mine to be involved in this undertaking from its inception, and I feel blessed to have the opportunity to see the OSTEN & VICTOR Alberta Tennis Centre grow from an idea into one of Canada's leading tennis facilities. I look forward to the continued evolution of our organization, now and in the future.

Sincerely,

Ron Ghitter, C.M.
Chair, Board of Directors
OSTEN & VICTOR Alberta Tennis Centre

MESSAGE FROM OUR NEW BOARD CHAIR

Dear Members, Program Participants, Board Members, Staff & Stakeholders;

The Osten & Victor Alberta Tennis Centre is an absolutely amazing place in which I have had the distinct privilege to have been a part of since it existed as a dream only. Approximately 2009, Ron Ghitter invited I and a few long-time tennis pals to have monthly lunches to envision and try to bring to reality a non-profit publicly-available major indoor tennis facility to the City of Calgary. Clearly it was a bold vision which would be exceptionally challenging to bring to reality.

Over a period of about three years, under Ron's unwavering leadership and vision, the essential building blocks were assembled one by one: conceptual design, a viable land location, significant donations from scores of individuals, provincial funding, City council approval, Tennis Canada support, construction, staffing and finally grand opening on May 15, 2016. It was an incredible accomplishment due entirely to the passion and total commitment of many dedicated individuals including founders, donors, staff, the City of Calgary, the Province of Alberta and Tennis Canada.

Since its opening, ATC has overachieved on every metric, thanks to the incredible team that came together. Indeed, it is viewed across the country as the finest model of how to create a successful major tennis facility. ATC's CEO Danny Da Costa has done a superlative job in leading ATC since its very first day. I have had the opportunity to benefit from much feedback from many ATC staff, ATC members, Canadian tennis leaders and touring ATP pros. ATC is universally viewed as an incredible facility which provides world-class tennis opportunities to all its patrons. The staff of ATC repeatedly signal to me the exceptionally positive culture that has been instilled in ATC. Due to Danny's leadership and the incredible dedication and spirit of his team, ATC has brought to reality amazing initiatives to broaden the sport including schools introductory tennis, high-performance junior tennis, women's participation in tennis, tennis to disadvantaged people, wheelchair tennis, provincial tennis competitions and professional world-calibre tennis competitions.

I am honored and humbled to be chosen by ATC's Board to succeed Ron as Chair. My primary objective as Chair will be to work closely with this great team to sustain and build on ATC's incredible success, with a particular focus on sustaining and enhancing ATC's wonderful culture, can-do spirit and excitement of being a part of a really special vision for tennis in the City of Calgary and Province of Alberta.

Finally, I wish to give immense thanks to Ron Ghitter who has been my exceptional mentor and dear friend for decades. I am in awe of his achievements, leadership, courage, dedication and fairness to all. He is a total inspiration to everyone at ATC and I find it daunting to follow his lead into the Chairman role.

I look to ATC's future with much excitement and relish the opportunities to advance the sport of tennis in the Province of Alberta.

Sincerely,

Al Fowler
Chair, Board of Directors

MESSAGE FROM OUR CEO

Dear Members, Program Participants & Stakeholders;

I want to take this opportunity to thank our members, program participants and key stakeholders for another outstanding year of tennis at the OSTEN & VICTOR Alberta Tennis Centre (ATC). We celebrated our 7th year of operation in 2023, and as our organization continues to mature, so does our impact and investment on the tennis community in Alberta and across Canada.

ATC continues to be one of Canada's leading tennis facilities. The completion of our first phase of our Facility Master Plan (covered court project) in the fall of 2022, allowed the ATC to achieve continued growth and record number of program participants, members, and overall facility users. Negotiations with the City of Calgary continue to acquire adjacent lands to the south of the facility to complete the next phase of our development (the community park). It is our hope that the ATC can acquire the land in 2024 and begin construction on the next phase of our development.

In 2023, the ATC continued to prioritize Diversity, Equity, and Inclusion strategies, with several activities held. In August, the ATC made a historic announcement by offering paid hospitality for women's participants at the Calgary National Bank Challenger. In doing so, the Challenger became the first W60 International event in Canada to offer paid hospitality for female players, thereby reducing the equity gap that exists between women and men's tennis. The ATC continued to host SHE CAN PLAY Girls Tennis & Leadership Camps in 2023, introducing nearly 200 women and girls from Calgary's under serviced communities to tennis. The ATC also hosted a women in coaching workshop with 23 female coaches taking part across Alberta and hosted a women and girls tennis event during the Challenger event that featured 50 women and girls.

As our organization continues to grow, so does our team at the ATC. Our team grew by another 10% in the past year and now consists of 55 full-and-part time employees, contractors, and seasonal staff. We are proud to report that the ATC Team is nearly gender balanced, with females making up 49% of all employees. Females also make up 50% of our management & leadership team. The ATC is one of the largest employers of tennis professionals in Canada.

The Calgary National Bank Challenger returned for its 4th edition in 2023. The ATC delivered another world class event for the tennis and business community in Alberta. The event continues to be a very popular and well-attended event, our 2023 event saw a record 13,112 attendees, representing 22% growth, year-over-year. The Challenger generated \$3.66 million dollars in economic impact (up14%) for the local and provincial economies, making it one of the top emerging sporting events in Alberta. The Challenger has truly become an Alberta inspired event with 90% of the event's partners having offices in Alberta. This year's Challenger was highlighted by 7 former Top 50 players, including former Wimbledon Singles Finalist Sabine Lisicki of Germany, who captured the women's title. Rising Canadian star Liam Draxl won the men's event. 4 Alberta players also participated, including ATC member Alexia Jacobs who reached the Round of 16 in singles and quarterfinals of doubles. MESSAGE FROM OUR CEO

A major focus for our team has been to exceed the expectations of our members and program participants, by improving both the member and player experience at the ATC. In 2023, the ATC launched a new Member Rewards Program which provides redeemable benefits to our members based on a player's activity and dollars spent. The ATC began work on its new website in 2023 and will roll-out the new site in early 2024. The ATC also invests in the development of our team, with many of our tennis professionals upgrading their Tennis Canada certification. The ATC is also recognized by Tennis Canada for meeting its safe sport requirements. As we move into 2024, our management is fully committed to make both the playing and work experience exceptional. Our goal remains to ensure the ATC is Canada's best tennis facility employer.

Partnering with over 20 community groups in the province, our management team continues to support community development throughout the province. The ATC continues to support tennis-related charitable causes, community outreach tennis programming and tennis development generally in Alberta. In 2023, we delivered tennis to over 5,000 students as part of our School Tennis Program. We also held Wheelchair Tennis Programs, hosted national and international events and hosted professional development opportunities for coaches in the province.

I want to take this opportunity to thank our wonderful Board of Directors, members and program participants who continue to be incredibly supportive of our Centre. I want to personally thank our founder, Ron Ghitter who is stepping down as Board Chair effective January 1st, 2024. Ron is a pillar of our community; he has been a tremendous role model and mentor to me and our entire team. We are very excited to have Al Fowler as our new board chair. Al has tremendous experience at the board level and is a passionate fan of tennis. We look forward to working with him and the entire board in 2024 to continue to deliver our organization's vision and mission.

Finally, I also want to recognize our entire team for all their hard work and contributions this past year. We could not achieve the level of success we enjoy without their hard work, dedication, and leadership. Our team lives and breathes the vision and mission of our tennis centre, and I could not be prouder of our team for continuing to make the ATC one of Canada's top tennis facilities.

Over the past 7 years, we have built an incredible organization that has continued to exceed expectations and deliver world-class experiences and events for our members and the tennis community in Alberta. As we approach year 8 of our existence, we are well positioned to continue to improve tennis in the province by expanding our facility and programs, while delivering more public access and opportunities to enjoy the sport.

We look forward to seeing you on the courts in 2024!

Sincerely,

Danny Da Costa

The OSTEN & VICTOR Alberta Tennis Centre enjoyed an incredible 2023. Here is a recap of our key performance achievements from the past year:

COACHING DEVELOPMENT

- ATC continues to be a leader in coach education in Canada. The ATC Coaching team is:
 - Alberta's most qualified (certified coaches) and one of Canada's most qualified coaching staff.
 - The ATC is also one of Canada's largest tennis coach employers with nearly 30 coaches on staff.
 - ATC also employs the most Tennis Canada Course Facilitators (4) in Canada.
 - ATC is one of the largest employers of female coaches in Canada, with 26% of its staff being female
 - ATC employs only certified coaches who meet Tennis Canada's Safe Sport Requirements.
- ATC coaches actively involved in raising the quality and of delivery of coaching certification across Canada include:
 - Tennis Director, Nick Coutts, Tennis Canada Course Facilitator for Instructor, Club Professional 1, Club Professional 2 and Coach 2 & 3. Nick has certified over 300 coaches in Canada.
 - Head of Junior Development, Suzana Cavalcante, Tennis Canada Course facilitator for the instructor course. She has certified over 50 coaches in Alberta since she started in 2020. She is now looking at getting involved in the next level of Course Facilitating.
 - Head of Cardio Tennis, Alena Tsybouk, Tennis Canada Cardio Course Facilitator. She has travelled across the country certifying coaches in Ontario, Quebec, and Nova Scotia, plus trips to Orlando symposium. She recently ran an Alberta Cardio Workshop in November to help grow cardio tennis in the province.
 - Assistant Tennis Director, Adam Bond, Tennis Canada Course Facilitator for Instructors course
- ATC added 3 new full-time tennis professionals to our coaching team this year. Richard Cooper, Quentin Maille and welcomed back Steven Chavez. ATC added 8 part-time coaches as well.
- ATC Coaches were busy attaining certification in 2023: Marin Cens (Coach 3), Lucas Noguera (Coach 3), Toni Klaric (Club Professional 2), Yurii Kushnir (Club Professional 1), currently completing Club Professional 2. In 2024, Alec Morariu, Yurii Kushnir, Toni Klaric, and Quentin Maille will be enrolling in the Tennis Canada Coach 2 course held in Toronto and Montreal.

FRIENDS OF RON GHITTER FUND

Key Funding Programs:

- **Ron & Myrna Ghitter Community Fund** - supports diversity, inclusion, all gender and under-resourced youth through participation in tennis. The fund is to be used in the local community as part of the Friends of Ron Ghitter Fund for Kids.
- **Ron Ghitter Excellence Fund** - supports high performance development for junior players between 8 - 17 years of age who show national or international potential.

Primary Goal of the Fund:

- Our overarching goal is to ensure that all Calgarian youth have an opportunity to play tennis regardless of their socio-economic background.

Impact:

- Since 2017, the Friends of Ron Ghitter Fund has raised over \$230,000 to support tennis activities for Calgary youth.

Key Actions in 2023:

- Helped fund the ATC Coaches & athletes to attend the Canadian Junior Nationals
- Assisted in subsidizing the ATC players that attended the International Junior Events in Canada and in the United States
- Supported Ukrainian families fleeing the war by providing free tennis programming and equipment
- ATC supported the SHE CAN PLAY Girls Tennis & Leadership Program camps

Our Vision

To ensure every Calgarian youth tennis player has the means to pursue and achieve their goals in the sport of tennis.

Our Values

Fair play, equity, integrity, sportsmanship, commitment, inclusion, diversity, teamwork, excellence, determination.

Our Mission

To improve the lives and experiences of Calgarian youth through the sport of tennis.

COMMUNITY OUTREACH

The OSTEN & VICTOR Alberta Tennis Centre continues to play an active role in the community where we work, live and play. Here is a summary of some of our key activities and partnerships in 2023.

OSTEN & VICTOR Alberta Tennis Centre is home to the University of Calgary Dinos Tennis Team. The Men's and Women's Teams are coached by ATC Tennis Professional, Andrew Ochotta.

OSTEN & VICTOR Alberta Tennis Centre partnered with a number of Calgary's Community Associations to deliver programming on community courts including:

- Mount Pleasant Tennis Club
- West Hillhurst Community Association
- Wildwood Community Association
- Glendale Community Association
- Lake Bonavista Community Association

OSTEN & VICTOR Alberta Tennis Centre regularly partners with various Provincial, National and locally based organizations to deliver opportunities to try/learn the sport of tennis. As well, the Alberta Tennis Centre regularly partners with Jumpstart, Kidsport Calgary, and Friends of Ron Ghitter Fund to provide low-cost access to tennis.

STRATEGIC PRIORITIES 2021-2026

The OSTEN & VICTOR Alberta Tennis Centre has developed its 2021 - 2026 strategic plan to guide the vision of the organization. Our 2021 - 2026 Strategic Plan prioritizes 4 strategic directions:

1. Organizational Excellence
2. Facility Excellence & Capacity Building
3. Pathway Programming & Performance Development
4. Event Management & Competitive Structure

Our key goals for each strategic pillar are as follows:

STRATEGIC PILLAR: Organizational Excellence

- **Goal:** We will excel in building the OSTEN & VICTOR Alberta Tennis Centre's profile and increasing the efficiency of our organization to achieve long-term success.
- **Goal:** We will work towards financial independence, while operating under excellent financial management and achieving continued commercial growth.

STRATEGIC PILLAR: Facility Excellence & Capacity Building

- **Goal:** We will continue to be a leader in facility design, construction and management and build upon our reputation as the best tennis facility in Canada.

STRATEGIC PILLAR: Pathway Programming & Performance Development

- **Goal:** We will develop a Junior Development Pathway that increases the profile of the sport of tennis in the Province, and develop players of all ages and levels.
- **Goal:** We will increase player participation and membership by delivering world-class programming and player experiences while servicing our members and program participants.
- **Goal:** We will enhance the quality and delivery of our Adult Pathway to ensure continued growth and retention of our adult members and program participants.
- **Goal:** We will increase our membership and participation in tennis through a variety of engaging programs by providing leadership, resources and education, while developing our athletes and coaches to perform consistently at the highest levels of the sport.

STRATEGIC PILLAR: Event Management & Competitive Structure

- **Goal:** We will elevate our Club, Provincial, National and International Events to become must-attend events for players, spectators and corporate partners.
- **Goal:** We will enhance the experience of our Club and Provincial Tennis Tournaments to provide an environment that promotes participation and development at the highest levels.

**Note: Some of our strategic plan goals have already been met since the release of our plan in 2021.*
