# 7. ACCEPTANCE INTO PROGRAMS:

Acceptance into the Competitive & High-Performance stream programs is based on the criteria outlined in this information package in addition to these factors:

- Physical aptitude
- 'Intagibles' such as player motivation, attitude, and compatibility with current groupings, parent support for program, coaches, and alignement with Academy values, etc.

When spots become available, the coaching staff will be balancing groups and fitting players into the programs with the goal of maximizing the overall training environment by creating compatible groups. Ranking on the waitlist does not guarantee order of acceptance into the groups as all of these factors must be weighed by the coaching team.
